Wheelchair access

All of our theaters and classrooms are accessible to patrons who use wheelchairs. Most restrooms and water fountains in all facilities are wheelchair accessible, and restrooms are equipped with strobe-light as well as audio alarm systems. A wheelchair accessible "unisex" restroom on the Belk Theater's Grand Tier level accommodates persons who may need assistance from a spouse or companion of the opposite sex. Ask an usher for the location.

Entry and exit assistance

For performances in the Belk Theater, an usher can meet patrons who need assistance at the corner of Tryon and 5th Streets or valet parking on Tryon. If you wish to receive this service, please contact the Box Office at least 2 days prior to the performance to make these arrangements.
